

Implications of recent changes to student visa regulations –

## Opportunities at Canning College

### Canning College's Diploma of Commerce programs become visa sub-class 573 – Higher Education.

#### Vietnam:

Students packaging a Canning Diploma course with a university course (at UWA, Curtin, Murdoch or ECU) will be assessed as 573 – AL2

#### China & India (changes from April 2011):

Students packaging a Canning Diploma course with a degree level course will be assessed as 573 – AL3

*Certificate IV* SC 572 → **Diploma of Commerce** SC 573 *Canning College* → *Year 2 entry Bachelor of Commerce – UWA or Curtin.* SC 573

There is now a very clear distinction between higher education diplomas (as offered by Canning) and VET diplomas.

The changes also mean that students can package a Canning WAUPP/ Year 12/WACE enrolment with a Diploma of Commerce and be considered as SC 573.
