PERTH STILL RANKS FOR LIFESTYLE

Again Perth has been ranked within the top 10 of the world's most liveable cities in the annual survey by The Economist magazine. Perth ranked 8th.

Features of Perth include: stability, health care, education, culture, environment and Infrastructure.

According to the president of the Real Estate Institute of WA...

“ many people moving to Perth were initially attracted by the city's reputation as an education hub and stayed because of the fantastic quality of life”.

A strong economy with employment opportunities is another key attraction of Perth.
