Story of Success

In 2008, Kenyan student, Kishen Raval achieved the outstanding CPS of 91.2 (ATAR of 99.9) in the Canning's Foundation Program.

Instead of taking up a place in a WA university, Kishen went to the **University of Melbourne** to study Economics and Commerce. His outstanding achievement in 2009 has been recognised by his inclusion on the **Dean's Honour List 2009**.

Kishen's story shows the flexibility and acceptability enjoyed by students in Canning's Foundation Program.
