NEW NAME FOR FOUNDATION PROGRAM

Negotiations between the Department of Education Services (DES) and the Tertiary Admissions Service Centre (TISC) has resulted in a new name for the registration of the Foundation program.

The Western Australian Universities' Foundation Program (WAUFP) will now be known as

Western Australian Universities' Preparatory Program (WAUPP)

College documents will be gradually modified to reflect the name change.

Aside from the official name, there is no other significant change to this long established program.

HOMESTAY MATTERS

So that your clients (students) avoid problems with unregistered homestay providers, please ensure that the students are placed in a Canning home-stay rather than those found on the net.

Invitation

Graduation Night for Foundation and Year 12 students will be on **28th October**. Any agents visiting from overseas would be welcome to attend. Please contact the International Office for further details.

Students are also welcome to invite parents to attend.
